TONICA SELECTION

Our Tonica list is inspired by the Spanish gintonica, premium spirits mixed with premium tonics or soda. A generous pour, served in a wine glass and elaborately garnished to highlight each spirit's individual botanicals.

The Botanist

Crafted on the site of Bruichladdich distillery on Islay, an island off the coast of Scotland typically known for smoky whisky, 22 foraged botanicals bolster 7 classic gin botanicals. Served with Fever Tree Indian Tonic Water, fresh orange slice and an olive.

Brookies Dry Gin

Brook farm is an area to the west of Byron Bay, bought by the Brook family and regenerated to become the diverse rainforest it is today. Brookie's utilises native botanicals found in the surrounding rainforest to distill a uniquely Australian gin. Served with Strangelove Holy Grapefruit Soda, star anise and grapefruit

Wildflower Pink Gin

Distilled on the Gold Coast and taking its vibrant colour from locally grown raspberries and hibiscus - Gold Coast summer in a glass. Served with Strangelove Lo-Cal Yuzu Soda, strawberries and lime.

Grey Goose Essences Watermelon + Basil

Fresh flavours of watermelon are complemented by light herbal notes from basil, all on a base of Grey Goose Vodka. Served with Fever Tree Elderflower Tonic, fresh lemon and star anise.

Threefold Mediterranean Gin

Hailing from South Australia and drawing inspiration from the Mediterranean way of life. Not one to shy away from flavour, this gin is savoury and robust. Served with Fever Tree Mediterranean Tonic, bay leaf and olive.

Tio Pepe Fino Sherry

Translating to 'Uncle Joe', Tio Pepe's dry sherry is aged for an average of 7 years in a solera system, and is the perfect accompaniment to our extensive tapas list. Served with Fever Tree Aromatic Tonic Water, cucumber slices and a fresh lime wheel.
